

FRANKLIN COUNTY AGING SERVICES AGING IN PLACE SEMINAR

Between August 1, 2016 and September 30, 2016; an Aging in Place survey was available for feedback from local seniors on topics such as services, activities and programs. The surveys were anonymous but will give staff a greater insight on where our resources should be focused next; or even more importantly, which resources we are lacking in our community. This seminar will present the results of the survey as well as provide further insight of the citizen's demands.
