

Father's Side																					
	Your Father																				
	Your Grandmother																				
	Your Grandfather																				
	Your Aunts & Uncles																				
	Your First Cousins																				

Please check the appropriate box(es) for each relative and list only those relatives related to you by blood. Do not include adopted family member, foster children or family friends.

Please remember to share this information with your doctor.

Half-siblings are brothers and sisters who have either the same mother or father as you.

First cousins are the children of your aunts and uncles.
