- Yes, I would like to be an active member**
- Please call me to help with the Used Book Sale**
- I would prefer to be an inactive member**

Who are the Friends of the Library? We are people who share a common belief that the Library is important to the intellectual and cultural life of Franklin County.

Why do we have a Friends group? Our non-profit organization works to increase public awareness of all Library services and assists in bringing funds to the Library for special projects.

What do the Friends do? Activities include monthly book sales, which provide funding for the summer reading program, author nights and other special events. Friends also volunteer in the Library and assist the community with public awareness, understanding, and use of the Library.

Come join us for the exciting year ahead!
