**IMPORTANT INFORMATION**

**Personal Property Veteran Tax Relief**

Pursuant to subdivision (A) (8) of Article X, Section 6 of the Constitution of Virginia, effective January 1, 2021, the General Assembly exempted from taxation one motor vehicle used primarily by or for a Veteran who has been rated by the U. S. Department of Veterans Affairs or its successor agency pursuant to federal law to have a 100 percent service-connected, permanent, and total disability. The term motor vehicle, as passed by the General Assembly in Virginia State Code 58.1-3668, is any passenger car, pickup, or panel truck as defined in section 46.2-100; and eliminates motorcycles from eligibility.

The following ownership and use qualify for personal property tax exemption:

- The vehicle is owned by the Veteran.
- The vehicle is used primarily by or for the Veteran.
- The vehicle is owned jointly with the spouse of the Veteran.
- The vehicle is owned solely by the spouse of a Veteran and used primarily by or for the Veteran.

The exemption expires upon the death of the 100 percent, service connected, permanent, and totally disabled Veteran. Passing the personal property exemption to a surviving spouse is prohibited by statute. Additionally, a vehicle owned by a trust of any type, either revocable or irrevocable, does not qualify for the tax exemption.

The Veteran shall also file with the Commissioner of the Revenue an Application, documentation from the U. S. Department of Veterans Affairs or its successor indicating that the Veteran has a 100 percent service-connected, permanent, and total disability, and verification of the Veteran’s primary residence.
