

*Serving the community
where it is,*

*Keeping in mind where
it could go.*

**Franklin County
Public Library**

Appreciation

- Staff has risen to the challenges
- Going above and beyond to serve the public
- Strong work ethic and mindset to work together as a team
- Bringing out the BEST in each other

We appreciate BOS' recognition of our work. Thank you!

2022-2023 Goals

We will focus this coming year on **COMMUNITY OUTREACH & ENGAGEMENT** through:

- **Bookmobile stops** in neighborhoods/apartment complexes
- **Book drop-offs at nursing homes** (carts of donated books for residents to keep)
- **Book crates at laundromats** (crates decorated by our teen advisory committee and filled with giveaway, donated books)

Outreach:
**Bookmobile & Express
Service to the
homebound/underserved**

Programming will:
**Reflect community
interests and introduce
new concepts/ideas**

24-Hour Library @ Summit View

Why a 24-Hour Library?

24/7/365

Franklin County strives to innovate to provide books and other materials safely and continuously for the public.

- In 2020, the **Board of Supervisors** allocated \$150,000 from the County's CARES Act funds toward acquiring and installing an automated 24-Hour Library.
- Located at the **Summit View Business Park**.
- Dispenses items from a rotating inventory of 235 books, audiobooks, and DVDs.
- Since its installation, **882** materials have been checked out!

2023 Community Read...Franklin County's First Ever!

Engage entire community in a common reading experience

"People can go for days at a time not talking to anyone outside their immediate family. There are precious few opportunities for people of different ethnic background, economic levels or ages to sit down together and discuss ideas that are important to them. [Community Reads] provide that opportunity." (-Nancy Pearl, Director, Washington Center for the Book)

Budget allocation for purchase of paperbacks and related public programs, such as author talk/book signing, writing workshop, etc.

Pocket Libraries

*Bringing public
resources directly
into neighborhoods
and local
communities*

Incorporate small, storefront libraries into Village Plans to enable the public to:

- Use public computers & other technology such as hot spots
- Access county information
- Pick up/return books and other library items such as museum passes
