Posting of the Subject Property prior to Public Hearings:

Franklin County Department of Planning and Community Development will prepare and post a “Notice of Public Hearing” sign along any road that is adjacent to the property for which a zoning map amendment is requested. The notice will be posted by the county at least fourteen days prior to the scheduled Planning Commission and the Board of Supervisors public hearings. If no public road abuts the property, then notice signs shall be erected on at least 2 boundaries of the property abutting land not owned by the applicant.

The signs are property of Franklin County and must not be removed by the applicant.

Legal Advertisement Costs:

Each zoning map amendment request must be legally advertised in a newspaper of general circulation in accordance with established state and local regulations. Franklin County advertises in the Franklin News Post. The Department of Planning and Community Development shall prepare the legal ad and shall send the ad to the newspaper for publication.

The cost of publishing the legal ad is the responsibility of the zoning map amendment applicant. The newspaper will send an invoice to the applicant. It is important that the invoice be paid upon receipt. If the invoice is not paid by the applicant prior to the newspaper’s cut-off date for legal ad publication, the legal ad will not be published, and the scheduled public hearing will be delayed for approximately one month.

If an applicant requests that a public hearing be delayed after publication of a legal ad, the applicant shall be responsible for all costs of re-advertisement.

Considerations for Granting a zoning map amendment:

The Planning Commission and the Board of Supervisors consider the following in reviewing requests for zoning map amendments:

- The effect of the proposed zoning district on adjacent property
- The agreement of the proposed use with the purpose and intent of the zoning ordinance and other uses permitted by right in the requested zoning district
- The effect of the proposed use on public health, safety and welfare.

FRANKLIN COUNTY ZONING MAP AMENDMENT PROCESS
PRE-APPLICATION MEETING

- Applicant meets with planning staff to discuss request, obtain forms, review process, and identify required materials to appropriately process and review the request. An application for a zoning map amendment must be filed by the property owner or with the property owner’s written consent.

STEP 2 – APPLICATION

- **Application:** Applicant submits complete application packet to the Department of Planning and Community Development. Application and plans are available for public review.

- **Posting of Property:** The county shall post public notice signs on the property at least fourteen (14) days prior to the scheduled Planning Commission and Board of Supervisors public hearings.

STEP 3 – STAFF REVIEW

- Staff visits site and coordinates application with other County departments, as well as public agencies that may be affected. Staff prepares a written report for the Planning Commission and Board of Supervisors that considers the proposed zoning map amendment and Section 25-2 through 25-4 of the Zoning Ordinance (Purpose and Intent; Relationship to Environment; and Relationship to Comprehensive Plan).

STEP 4 – PLANNING COMMISSION REVIEW AND RECOMMENDATION

- Planning Commission visits each site prior to the scheduled public hearing.

- The applicant or a designated agent must attend the public hearing.

- Public comment is received at the hearing.

- Planning Commission must make a recommendation to the Board of Supervisors within 100 days of its first meeting date. The recommendation may include the acceptance of proffers voluntarily offered to the county by the owner of the property, in writing, prior to the start of the Board’s public hearing on the zoning map amendment. Accepted proffers must relate to the use and/or development of the property for which a map amendment is proposed. After action is taken by the Planning Commission, the request is scheduled for public hearing before the Board of Supervisors. Planning staff immediately prepares legal advertisements and proceeds with newspaper publication. Applicant is responsible for cost of legal ad publication.

- Please note that any request to withdraw or postpone an application must be requested in writing within two (2) days after the Planning Commission hearing in order to coordinate public notice requirements.
**STEP 5 – BOARD OF SUPERVISORS DECISION**

- Applicant or their agent must attend the public hearing
- Board of Supervisors can approve or deny the request, or refer it back to the Planning Commission for additional review

Purpose of a Concept Plan:
A concept plan is necessary for all zoning map amendment applications. The purpose of the concept plan is to provide information on site conditions and a general understanding of the proposed use of a property. Typically, a concept plan contains information on the property such as the property address, parcel boundaries, adjacent roads, natural features (including water courses) and neighboring properties. A concept plan also includes the locations of any proposed buildings, parking, streets, community facilities, buffering or screening, boat docks, signs, and lighting, as well as the proposed densities of development.

Concept Plan versus Site Development Plan:
A concept plan is not the same as a site development plan, which is more detailed to ensure compliance with development regulations and obtain construction permits. A concept plan may be the first step in creating a site development plan. It is important to note that approval of a zoning map amendment with a concept plan does not mean that a site development plan is or will be approved.

Concept Plan Necessary Contents:
- Project title, name of applicant, project engineer/architect/surveyor/planner
- Plan date
- North arrow and graphic scale
- Size of entire parcel and, if applicable, size of portion of parcel requested for rezoning, accompanied by meets and bounds description
- Adjacent streets, railroads, natural features, historic sites, streams or bodies or water, floodplains, and other information that may help describe site conditions
- Locations, dimensions, and heights of all existing structures and those proposed
- Location and dimensions of proposed pedestrian and vehicular access points, driveways, parking areas/spaces and other facilities.
- Natural areas or historic sites to be preserved.
- Location and description of existing vegetation or any landscaping, screening or buffering proposed within the lot or along the perimeter of the development
- Location of proposed signs, including type, size and height
➢ Lighting information, if applicable

➢ Building elevations or renderings of the proposed development, if available

➢ Accessory use information such as the location of storage yards, recreation spaces, refuse collection areas, septic drain fields, wells or water tank locations, etc

➢ Number, type and size of dwellings proposed, and the residential density per acre

➢ Number and square footage of retail and office uses proposed

➢ Location, size and type of recreational amenities, parking facilities, and utility information

➢ Other items that may be recommended by staff

➢ Recommended plan size 8.5” x 11” minimum or 11” x 17” maximum. The plan must be legible. The applicant must provide 28 copies of the plan for distribution to Planning Commission and Board of Supervisors.

NOTE: IF YOU ARE PLANNING A PRESENTATION AT THE PUBLIC HEARINGS FOR THE PLANNING COMMISSION AND BOARD OF SUPERVISORS, EITHER BRING A 8 ½ X 11 SIZE PAGE OF YOUR PRESENTATION TO SHOW ON THE OVERHEAD PROJECTOR OR PUT ON A CD OR FLASH DRIVE TO SHOW ON THE POWERPOINT SYSTEM.
