RE: Special Use Permit Application

To whom it may concern:

This letter is in reference to the attached application for a special use permit for a short-term rental for the property located at 2430 Golden View Road Glade Hill, Va 24092. I would appreciate the opportunity to transform this 2-bedroom 1-bathroom residence into a short-term rental. The property sits on a 45-acre track of farmed agricultural zoned land. There will be no change to the existing structure and no additional structures constructed. I do not anticipate any negative impact to the adjacent properties or community as a whole. The amount of acreage would give an ample amount of space for a quiet and private get away for local tourists as its location is central to the county and convenient to local attractions. This short-term rental will bring revenue to the area by giving tourists a place to stay as they appreciate all that the county has invested its time and money into. This property has a private well and septic tank and will be maintained by the property owner. Also, furnishings and utilities will be provided by the owner. Please see the attached application form as well as the concept plan.

Sincerely,

Taylor Odell
