

Suggestions for completing the form:

- For years 2019-2021 brick orders will be limited to First Responders who have actively served in Franklin County for at least one year.
- Beginning in year 2022 bricks can be purchased for any First Responder that has a connection to Franklin County.
- Years of service will be verified with acting department chiefs.
- There is no specific information that must be contained on a brick. You, the purchaser should include the information about your honoree you feel most accurately reflects his/her service. Content must be approved by the commission.
- Do not worry about trying to center the information on the brick. This will automatically be done by the engraver.
- Spaces and punctuation marks count as characters.
- Please do not include any names on the brick other than the name of the First Responder.
- Suggested information to include: Name, Department, Years of service, or Title.

Honor a First Responder

The First Responders Memorial Park is operated and maintained by the First Responders Memorial Commission and the Town of Rocky Mount, Virginia. Brick orders for honored First Responders are placed twice each year in May and September, with the purchased bricks being installed by Peace Officer Memorial Day and National Fallen Firefighters Memorial Weekend.

Order deadlines are April 5 and August 15.
