## **Franklin County Office of Economic Development Kicks Off Countywide Economic Planning Efforts**

ROCKY MOUNT, VA (March 6, 2023) – Franklin County’s Office of Economic Development is working with the community to develop an Economic Development Strategic Plan. The Plan will identify short and long-range recommendations to promote balanced growth, enhance quality of life for residents, and enrich the future marketability of Franklin County as a place to live, visit, and invest in.

We need your input on the Future of the County. Please click the link below and take a few minutes to give us your thoughts regarding needs, desires, and vision for Franklin County:
