Dear Ms. Cooper,

Thank you for the opportunity to provide this Letter of Application with our request for a Zoning Map Amendment for the proposed condominium and townhome community at Westlake Towne Center to be offered for sale to the public. We look forward to working with you.

ABoone Real Estate/Development, Inc. proposes to develop and build a 158 +/- condominium (96 units) and townhome (62 units) community to complement the existing Westlake Towne Center commercial, office and residential uses. The development would help meet a critical housing shortage and offer homeownership with high quality homes at more affordable price points. The property for which a Zoning Map Amendment is being requested is identified as Parcel 0300005200, Map Number 030.00 and Parcel Number 052.00. Fifteen (15) acres of the larger 47.39-acre parent parcel would be subdivided for this proposed development.

The original rezoning by the Willard Companies for Westlake Towne Center included a conceptual plan for this site, and our proposed townhome community would require a Zoning Map Amendment. For this reason, we request such affirmative action by the Franklin County Board of Supervisors.

The proposed condominium and townhome community to be offered for sale to the public will meet a critical housing shortage of the area and region, offer more residents to both shop and use the other services provided at Westlake Towne Center and the surrounding area, and will generally complement the already successful Route 122 Westlake corridor. Residents would access their community from Route 122 at its intersection with Westlake Drive, an already signalized intersection.

Thank you for the opportunity to provide this Letter of Application.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alexander Boone', is written over the word 'Sincerely,'.
