RE: Rezoning Application Tax Parcel # 0360017300

Mr. Steven Sandy:

Attached is our application to have our residential property rezoned from B-2 Business to A1-Agricultural. We are asking that you fast-track this request so that this can be included in the Board of Supervisor meeting on 12/19/17. Apparently, in 1988, the property was zoned as Business for reasons and by people unknown. We were unaware of this until this week (two weeks prior to the scheduled sell of our property!). This has, naturally, impacted the sell and our move in a very negative way. We may possibly lose our buyer and will definitely lose the temporary housing we were moving to as we are no longer comfortable with signing the lease which was due tomorrow. Below is some information that may shed some light on this conundrum:

- The prior owner was Conley Jones, who owned Wirtz Grocery, which was across the street from the house (current address is 593 Wirtz Rd). Is it possible that the grocery store was supposed to be zoned business, but the house was, in error? Any way to check that and reverse it sooner than December?

Thank you,

Elizabeth G Jones
